## PROFESSIONAL SUMMARY

Passionate and motivated web developer with a strong foundation in full-stack development. I have hands-on experience in building web applications using React.js, Next.js, Node.js, Express.js, and MongoDB. I am eager to grow as a software engineer, continuously learning new technologies to enhance my skills. My long-term goal is to lead a development team, driving innovation and building impactful software solutions.

## RELEVANT EXPERIENCE

### Devnasa Technologies Ltd.

July 2025 - October 2025

#### Full Stack Developer - Project Based

- Collaborated with a team of three developers to design intuitive user interfaces and build full-stack systems that improved operational efficiency and communication between internal and external stakeholders.

## SKILLS

**Frontend:** React.js, Next.js, JavaScript(ES6+), HTML5, CSS3, Tailwind CSS, Shadcn

**Backend:** Node.js, Express.js, REST APIs, JWT

**Database:** MongoDB, MySQL

**Animation:** GSAP, Framer Motion

**Tools:** Git, GitHub, Firebase, Redux

## PROJECTS

### Aaryan Sourcing

[Live Link](#) | [Code](#)

**Project Overview:** Developed a full-stack web application for Aariyan Sourcing Buying House, a garments and textile procurement company, to streamline communication and operations between buyers, suppliers, and internal teams. The system allows efficient order tracking, supplier management, inventory control, and product sourcing with a modern and responsive user interface.

- Frontend:** Next.js, JavaScript, Tailwind CSS,
- Backend:** Node.js, Express.js, MongoDB
- Animations:** GSAP, Framer Motion

### Home Bite

[Live Link](#) | [Code](#)

**Project Overview:** Built a secure food donation platform with Firebase authentication, enabling users to donate and manage food items seamlessly.

- Frontend:** React.js, JavaScript, Tailwind CSS,
- Backend:** Node.js, Express.js, MongoDB
- Animations:** GSAP, Framer Motion

## EDUCATION

### Bachelor of Science, Computer Science and Engineering

2023 - 2026

Leading University, Sylhet

## ADDITIONAL SKILLS

**Languages:** English (Fluent), Bengali (Native)

**Soft Skills:** Problem-Solving, Team Collaboration, Communication, Adaptability, Time Management
